

Pila® Impulse – The Protective Pocket-Light with Bite!

Impulse™ is a slim, handy and inconspicuous looking pocket-light, but when needed, a high frequency LED strobe light and a piercing siren can be activated to safeguard one's personal safety distance of at least 3 m.

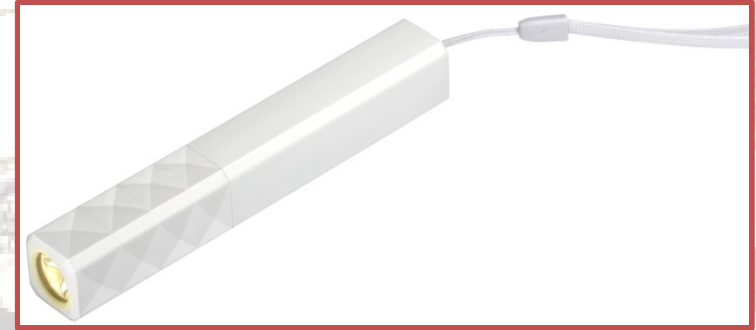

Impulse™ is your reliable companion providing security and safety when walking in quiet alley ways at night, in car parks, subways, travelling and at home. In emergencies, elderly, handicapped and disabled persons may use Impulse™ as panic alarm or attached to a purse as anti-theft/anti-snatch device.

Impulse™ Highlights:

- ❖ Slim to fit in a lady's purse and gentleman's pocket
- ❖ Operates as normal LED flashlight illuminating a path of over 20 m.
- ❖ In distress, pulling the safety catch triggers a dazzling high-frequency strobe and a 'sound-biting' alarm, disorientating the attacker and giving you precious time move out of harm's way.
